### ON DISCOVERY OF SMOKE/FIRE or ON HEARING THE ALARM BELL...

- Alert people in the immediate area of the emergency (Raise an Alarm 'Shout FIRE' or activate a 'Break Glass Alarm' device.)
- Ensure an Alarm has been raised by dialing the Fire Brigade on '000' and advise them of the emergency and your location.
- Evacuate the immediate danger area and proceed to the nearest exit point and assemble outside the premises.
- **DO NOT** re-enter the danger area unless advised that it is safe to do so by the responding authorities.
- **DO NOT** attempt to assist distressed livestock unless safe to do so and you have assistance and experience.
- **DO NOT** take risks that may put others in danger.

### STAFF

#### On Discovery of Fire/Smoke or On Hearing an Alarm Bell

- Ensure the area has been evacuated and attempt to extinguish the fire, if safe to do so.
- Assist any mobility impaired persons to a safe zone.
- Staff are to assemble in the Muster Point located near the Horse Gates (See Site Plan)

#### At the Muster Point

- Account for people in your area.
- Report any person missing to the responding authorities
- **DO NOT** re-enter the danger area unless the 'all clear' is given by the responding emergency authorities.

### LIVESTOCK

- Evacuation of livestock in the immediate danger area should only be attempted if safe to do so. Assembly Area for livestock is located in the "INDOOR ARENA" and ARENA "A".
- On advice that the site be fully evacuated, livestock should be initially transferred to Centennial Park via Robertson Road Gates.
